SIGNATURE RITUAL FELIX SPA

"FEEL IN FELIX" | Relaxing and joyful

What is happiness if not experiencing a feeling of **ecstasy**, endless possibilities, of contact with everything, of a taste for play, of joy and discovery?

These are the emotions you will experience with our Feel in Felix Ritual. The sweet, fruity aroma of tangerine **envelops your senses**, fostering deep relaxation and unwinding, accompanied by welcoming manual techniques that, like a dance, invite you to let go and release all tension.

The calming effect of silver fir essential oil induces a state of serenity and positivity, helping you to rediscover simple and sincere things with enthusiasm and wonder.

The ritual concludes with a tasting of our pastries with a matching herbal tea.
